Solvay Denies 2006 Profit Forecast Published in Belgian Newspaper De Tijd

Please note that the transcription of an interview with Aloïs Michielsens, CEO of Solvay, in the Belgian daily newspaper De Tijd dated May 6 includes a serious factual mistake. A. Michielsens *never* said that Solvay's result and turnover would grow by "surely 18%" in 2006. We understand there was a confusion with last year's figures.
