

Solvay Technology Solutions implements price adjustment for some of its polymer additive products

Saddle Brook, NJ - January 29, 2018 – Solvay’s global business unit Technology Solutions announced today the implementation of a global price adjustment of 5 to 15 percent on certain CYASORB® UV light stabilizers, CYASORB CYNERGY SOLUTIONS® UV light stabilizers, CYASORB® CYXTRA™ UV light stabilizers, and CYANOX® antioxidant products. Effective February 1, 2018, the move is being made to address sustained pressures from global supplies, logistics and packaging costs. For more details, contact your local Solvay Technology Solutions sales or customer service representative.
