How to check your Invoice Status?

You may check your invoice status by accessing the Supplier Invoice Tracking tool [here](#).

You may find a User Guide available at the bottom of each Country page - in [Company List](#).

First time using the tool?

To access the Invoice Tracking tool you must first register our [online form](#). Our helpdesk will then contact you with information concerning logon UserID and password.

Bank Account Authentication

To ensure the security of our payments to you, for every new bank account, you MUST EMAIL A BANK ACCOUNT PROOF IN NON-EDITABLE FORMAT (e.g. PDF, TIFF, JPEG, etc...) to our security mailbox:

payment.securityprocess@solvay.com

After reception of your proof, Solvay will immediately contact you, in order to validate the bank data. WITHOUT AUTHENTICATION OF YOUR BANK ACCOUNTS, PAYMENTS ON THESE ACCOUNTS ARE BLOCKED.

Solvay recommends always mentioning your bank account data on your invoice.
