

CALCIUM PEROXIDE

Partially Hydrogenated Oils (PHOs)

Statement

STATEMENT OF PARTIALLY HYDROGENATED OILS ORIGIN CALCIUM PEROXIDE IXPER® 75C

The United States Food and Drug Administration (FDA) issued a tentative determination that partially hydrogenated oils (PHOs) are not generally recognized as safe (GRAS) for any use in food.

The following Calcium Peroxide product:

IXPER® 75C

is manufactured by synthesis.

Based on the production process as well as on the type of raw materials used, we can exclude that the above mentioned product contains partially hydrogenated oils (PHOs).

Moreover, we herewith confirm that no partially hydrogenated oils (PHOs) are added to the above mentioned products at any step during or after manufacturing.
