STATEMENT CONCERNING ALLERGENS HYDROGEN PEROXIDE and SODIUM CARBONATE PEROXYHYDRATE

As presently formulated, Solvay Chemicals, Inc.'s Hydrogen Peroxide and Sodium Carbonate Peroxyhydrate products do not contain any ingredients of animal or plant origin. The processes used to manufacture these products also do not use any materials of animal or plant origin.

Solvay Chemicals Hydrogen Peroxide and Sodium Carbonate Peroxyhydrate are synthetic inorganic chemicals which may contain various proprietary stabilizers. These stabilizers are inorganic in nature and ARE NOT sulfites, MSG, BHA, BHT or TBHQ.

Use of Solvay Chemicals products for food applications should follow appropriate guidance and regulations such as are found in, but not limited to, 21 Code of Federal Regulations (21 CFR) and USDA publications.

To our actual knowledge, the information contained herein is accurate as of the date of this document. However, neither Solvay Chemicals, Inc. nor any of its affiliates makes any warranty, express or implied, or accepts any liability in connection with this information or its use. This information is for use by technically skilled persons at their own discretion and risk and does not relate to the use of this product in combination with any other substance or any other process. This is not a license under any patent or other proprietary right. The user alone must finally determine suitability of any information or material for any contemplated use in compliance with applicable law, the manner of use and whether any patents are infringed. This information gives typical properties only and is not to be used for specification purposes. Solvay Chemicals, Inc. reserves the right to make additions, deletions or modifications to the information at any time without prior notification.

Trademarks: Trademarks and/or other Solvay Chemicals, Inc. products referenced herein are either trademarks or registered trademarks of Solvay Chemicals, Inc. or its affiliates, unless otherwise indicated.

Before using, read the Safety Data Sheet (SDS) for the chemical.
