

Progress beyond

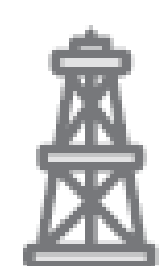

Solvay Oil & Gas Quality Policy

OUR AMBITION

Oil & Gas ambition is to be the preferred Partner of our Customers for their development in fast growing markets & demands for new solutions.

AREAS OF FOCUS

1. Customer intimacy with tailor-made solutions
2. Speed of innovation
3. Competitiveness and Growth in Oil & Gas Market Segments
4. Pursuit of Operational Excellence
5. Transformation and People

As **OIL & GAS** Business Unit:

- We are **Customer-centric**
- We **guarantee safe products and deliveries**
- We **track and improve continuously** Product quality and service to Customers
- We **develop new solutions** for our Customers
- We deploy a **Quality Management System** in order to:
 - Provide **products & services meeting customer & compliance requirements**
 - Manage **risks & opportunities** associated with our context and objectives
