## **PROJET D'OPÉRATION ASSIMILÉE À UNE SCISSION PAR ABSORPTION**

Conformément aux articles 12:8 et 12:59 du Code des sociétés et des associations (« CSA »), les Conseils d'administration de Solvay SA/NV (« Solvay ») et de Syensqo SA/NV (« Syensqo ») ont établi le présent projet d'opération assimilée à une scission par absorption, par laquelle les éléments du patrimoine actif et passif de Solvay décrits ci-dessous seront scindés et apportés à Syensqo (la « Scission Partielle »).

Ce projet commun a été approuvé par le Conseil d'administration de Solvay lors d'une réunion dûment convoquée qui s'est tenue le 17 octobre 2023 et par le Conseil d'administration de Syensqo par résolutions écrites unanimes de ses administrateurs adoptées le 20 octobre 2023 (le « Projet de Scission Partielle »). La date de la première de ces deux réunions sera dénommée ci-après la « Date de Première Validation ».

### **1. Description de l'opération envisagée**

#### **(a) Modalités de la Scission Partielle**

- 1.1 L'opération envisagée est une opération assimilée à une scission au sens de l'article 12:8 du CSA et de l'article 159 de la Directive (UE) 2017/1132 du Parlement européen et du Conseil du 14 juin 2017 relative à certains aspects du droit des sociétés, telle que modifiée, en vertu de laquelle, sous réserve de l'obtention des approbations des actionnaires de Solvay et de Syensqo requises et des autorisations visées dans le Projet de Scission Partielle, (i) une partie du patrimoine actif et passif de Solvay serait transférée à Syensqo sans que Solvay ne cesse d'exister, et (ii) en échange de cet apport, Syensqo émettrait et attribuerait directement aux actionnaires de Solvay des actions ordinaires Syensqo, les actionnaires de Solvay recevant une action ordinaire Syensqo pour chaque action Solvay détenue par eux à la Date d'Effet, conformément au Projet de Scission Partielle. Ce rapport d'échange est fixe et ne fera l'objet d'aucun ajustement avant la réalisation de la Scission Partielle.
- 1.2 La Scission Partielle porte sur les activités dites « Specialty » de Solvay (ensemble, le « Périmètre Specialty »), qui comprennent :
- (i) les activités suivantes actuellement regroupées dans le segment Materials :
- Specialty Polymers (en 2022 : 3.121 millions d'euros de chiffre d'affaires net) proposant une large gamme de polymères à haute performance ; et
  - Composite Materials (en 2022 : 954 millions d'euros de chiffre d'affaires net) qui conçoit et fabrique des composites en fibre de carbone et des adhésifs à haute performance ;

- (ii) les activités suivantes actuellement regroupées dans le segment Solutions, dont :
- Novacare (en 2022 : 1.905 millions d’euros de chiffre d’affaires net), qui déploie un portefeuille d’ingrédients de plus en plus naturels, notamment des dérivés de guar, des acides gras et des tensioactifs, amines et solvants plus conventionnels ;
  - Aroma Performance (en 2022 : 575 millions d’euros de chiffre d’affaires net), le plus grand producteur intégré au monde de vanilline naturelle et synthétique pour les industries des arômes et des parfums ;
  - Technology Solutions (en 2022 : 740 millions d’euros de chiffre d’affaires net), qui dispose d’un positionnement mondial en chimie à base de phosphine pour les réactifs miniers spécialisés et produit également des stabilisants UV pour polymères ; et
  - Oil and Gas Solutions (en 2022 : 586 millions d’euros de chiffre d’affaires net), qui fournit un large portefeuille de produits à destination du secteur pétrolier et gazier, ainsi que de l’hypophosphite de sodium (notamment pour le revêtement des métaux) et un procédé technologique conférant des propriétés ignifuges durables aux textiles à base de coton ;
- (iii) les activités de recherche et développement se rapportant aux activités décrites aux points (i) et (ii) ci-dessus ; et
- (iv) les services de support administratif, comptable, fiscal, juridique, de gestion de la propriété intellectuelle, de gestion des ressources humaines, de gestion des achats et les autres services centralisés, ainsi que les services de trésorerie et de financement intragroupe, fournis par Solvay aux entités juridiques exerçant les activités décrites aux points (i) et (ii) ci-dessus (en ce compris les Sociétés du Périmètre Specialty).
- 1.3 Les activités du Périmètre Specialty ont réalisé un chiffre d’affaires net d’environ 7,8 milliards d’euros en 2022 à l’échelle du groupe Solvay. Les éléments du patrimoine actif et passif composant le Périmètre Specialty sont identifiés à l’article 11.
- 1.4 À l’issue de la Scission Partielle, Solvay conservera les actions et autres intérêts qu’elle détient dans des sociétés exerçant (ou détenant elles-mêmes des actions ou autres intérêts dans des sociétés exerçant) les activités dites « Essential », qui comprennent les activités mono-technologiques telles que Soda Ash & Derivatives (carbonate de soude), Peroxides, Silica et Coatis, qui sont actuellement regroupées dans le segment Chemicals, ainsi que l’activité Special Chem appartenant au segment Solutions (ensemble, le « Périmètre Essential »). Ces activités ont réalisé un chiffre d’affaires net d’environ 5,5 milliards d’euros en 2022 à l’échelle du groupe Solvay.
- 1.5 La Scission Partielle sera régie par les dispositions du Livre XII, Titre II, Chapitre III, Section I du CSA.

(b) **Raisons de la Scission Partielle**

- 1.6 La Scission Partielle a pour objet de transférer le Périmètre Specialty de Solvay à Syensqo, tandis que le Périmètre Essential sera conservé par Solvay. Une fois réalisée, la Scission

Partielle donnerait naissance à deux groupes de premier plan dans leurs secteurs respectifs, qui bénéficieront de la flexibilité stratégique et financière nécessaire pour développer leurs propres modèles d'affaires, leurs marchés, leurs investissements et leurs priorités vis-à-vis de leurs différents interlocuteurs. En particulier, la Scission Partielle permettrait de répondre aux motivations économiques suivantes :

- des besoins opérationnels différents, la direction du Périmètre Essential pouvant se concentrer sur ses activités mono-technologiques de premier plan, la croissance de ses flux de trésorerie et les enjeux de durabilité, tandis que le management de Syensqo pourra dédier ses efforts à atteindre une croissance supérieure au marché, développer des solutions innovantes à forte valeur ajoutée et prendre en compte les enjeux de durabilité ;
- mettre en œuvre un modèle opérationnel différencié dans chaque périmètre afin de mieux répondre aux attentes des clients ;
- adopter une structure de financement spécifique à chacun des deux périmètres, leur permettant de faire face à leurs contraintes de financement et de distribution respectives ;
- gérer au mieux les priorités d'allocation des capitaux investis en fonction des activités respectives des deux périmètres ;
- mener des initiatives en matière de développement durable ;
- attirer et retenir les talents les mieux adaptés à des activités distinctes ; et
- présenter chaque société aux investisseurs de manière claire, avec davantage de visibilité, afin d'attirer des investisseurs de long terme adaptés à chaque société.

**(c) Réalisation de la Scission Partielle**

1.7 La Scission Partielle sera réalisée à minuit, heure de Bruxelles, au matin du premier jour suivant la date de la dernière des assemblées générales suivantes (la « Date d'Effet »), sans préjudice de l'article 7 ci-après :

- (i) l'assemblée générale extraordinaire de Solvay ayant approuvé le Projet de Scission Partielle en application de l'article 12:67 du CSA ; et
- (ii) l'assemblée générale extraordinaire de Syensqo ayant approuvé le Projet de Scission Partielle et les autres décisions requises en application de l'article 12:69 du CSA.

1.8 Les assemblées générales extraordinaires des actionnaires de Solvay et Syensqo se tiendront après l'obtention des autorisations suivantes :

- (i) les autorisations requises de l'Autorité des services et des marchés financiers (la « FSMA ») concernant le prospectus de Syensqo relatif à l'admission aux négociations des actions ordinaires de Syensqo sur les marchés réglementés d'Euronext à Bruxelles et Paris (le « Prospectus Syensqo »), étant précisé que le Prospectus Syensqo devra également avoir été notifié à l'Autorité des marchés financiers française et à l'Autorité européenne des marchés financiers conformément à l'article 25 du Règlement (UE)

2017/1129 du Parlement européen et du Conseil du 14 juin 2017 (tel qu'amendé, le « Règlement Prospectus ») ; et

- (ii) l'approbation par Euronext Brussels SA/NV et Euronext Paris S.A. de l'admission aux négociations des actions ordinaires de Syensqo sur les marchés réglementés d'Euronext à Bruxelles (« Euronext Bruxelles ») et à Paris (« Euronext Paris »), respectivement.

1.9 Conformément à l'article 12:13 du CSA et au Projet de Scission Partielle, à la Date d'Effet, les éléments du patrimoine actif et passif composant le Périmètre Specialty, tels qu'ils sont décrits à l'article 11, seront transférés à Syensqo par voie de transmission universelle, sans que Solvay ne cesse d'exister, et Syensqo émettra en échange de cet apport des actions ordinaires nouvelles qui seront attribuées directement aux actionnaires de Solvay au *pro rata* de leurs participations respectives dans Solvay comme précisé aux articles 3 et 5 ci-après.

1.10 À la Date d'Effet, les éléments du patrimoine actif et passif repris dans le Périmètre Specialty et détenus par la succursale qualifiant d'établissement stable italien de Solvay (*Solvay SA - Sede Secondaria per l'Italia*) immatriculé à Viale Lombardia 20, 20021 Bollate (Milan, Italie), sous le numéro 00089900492 (l'« ES Italien de Solvay »), seront apportés dans le cadre de la Scission Partielle à la succursale qualifiant d'établissement stable italien de Syensqo immatriculé à Viale Lombardia 20, 20021 Bollate (Milan, Italie), le 19 mai 2023, sous le numéro 12947770967 (l'« ES Italien de Syensqo »). L'ES Italien de Syensqo continuera à exercer, sans interruption, les activités du Périmètre Specialty qui étaient exercées par l'ES Italien de Solvay avant la Date d'Effet.

- 11.8 Dans la mesure où un élément du patrimoine actif ou passif de Solvay n'est pas attribué par le présent article 11 (en ce compris les annexes auxquelles cet article fait référence), cet élément restera dans le patrimoine de Solvay. Par conséquent, il est expressément prévu que l'article 12:60 du CSA n'est pas applicable au Projet de Scission Partielle.

**12. Répartition aux actionnaires de Solvay des actions de Syensqo et critère sur lequel cette répartition est fondée (article 12:59, alinéa 2, 10<sup>o</sup> du CSA)**

Les actions émises par Syensqo dans le cadre de la Scission Partielle seront attribuées à chaque actionnaire de Solvay conformément aux articles 3 et 5 ci-dessus.

**13. Salariés Transférés**

- 13.1 Les Salariés Transférés seront transférés de façon automatique à Syensqo par l'effet de la Scission Partielle.

- 13.2 Les droits et obligations existants des Salariés Transférés dont le contrat de travail est soumis au droit belge seront préservés notamment en application des dispositions de la C.C.T. n°32bis du 7 juin 1985 concernant le maintien des droits des travailleurs en cas de changement d'employeur du fait d'un transfert conventionnel d'entreprise et réglant les droits des travailleurs repris en cas de reprise de l'actif après faillite ou concordat judiciaire par abandon d'actif.
- 13.3 Les Salariés Transférés dont le contrat de travail est soumis à un droit étranger, tels que les Salariés Transférés de l'ES Italien de Solvay, seront également transférés de façon automatique à Syensqo par l'effet de la Scission Partielle. Les droits et obligations existants de ces Salariés Transférés seront préservés conformément aux dispositions légales étrangères applicables.

#### **14. Prospectus de Syensqo**

Syensqo assume la responsabilité du contenu du Prospectus Syensqo au titre du Règlement Prospectus et de l'article 26, §1 de la loi du 11 juillet 2018 relative aux offres au public d'instruments de placement et aux admissions d'instruments de placement à la négociation sur des marchés réglementés.

#### **15. Coûts et frais**

Tous les coûts, frais et charges encourus en rapport avec la Scission Partielle (en ce compris notamment les droits d'enregistrement dus à l'occasion de la Scission Partielle et les honoraires et émoluments du notaire instrumentant) ainsi que les frais liés à la publication et au dépôt du Projet de Scission Partielle et à la tenue des assemblées générales extraordinaires de Solvay et de Syensqo, sont à charge de Solvay.

L'une ou l'autre de ces assemblées générales extraordinaires pourra cependant être convoquée à une autre date, dans le respect des délais prévus par le CSA.
- 16.2 Si le quorum requis pour que l'assemblée générale extraordinaire de Solvay puisse valablement délibérer, soit la présence à cette assemblée de la moitié du capital de Solvay, n'était pas atteint, une seconde assemblée générale extraordinaire de Solvay, avec le même ordre du jour, sera convoquée pour être tenue le ou aux environs du 29 décembre 2023.

Le Service des Décisions Anticipées en matière fiscale accepte d'avoir égard à la Date d'Effet Rétroactif Comptable pour les besoins de l'application des règles fiscales belges en matière d'impôt des sociétés à Solvay et à Syensqo.

17.2 La Scission Partielle devrait être réalisée en régime de neutralité fiscale pour les besoins des règles fiscales italiennes, tel que confirmé par l'administration fiscale italienne dans son *ruling* n° 956-504/2023 du 8 juin 2023, en réponse à la demande de *ruling* déposée par Solvay le 14 mars 2023.
