# PROXITANE<sup>®</sup> PERACETIC ACID INGREDIENT AFFIDAVIT Statement

## 7 CFR PART 205 NATIONAL LIST – SECTION 205.600 – 205.606 INGREDIENT AFFIDAVIT PROXITANE<sup>®</sup> PERACETIC ACID (PAA)

As the primary supplier of a finished material or ingredient allowed for use in organic production, Solvay Chemicals, Inc. verifies that, to the best of our knowledge, we have not used any prohibited substances, methods, or ingredients in the production and handling of the finished material or ingredient product shown below.

### PROXITANE<sup>®</sup> Peracetic Acid

This finished material or ingredient is allowed for use according to the description and annotation in the following section.

- X 205.601 – Synthetic substances allowed for use in organic crop production
- X 205.605 – Nonagricultural (nonorganic) substances allowed as in or on processed products labeled as “organic” or “made with organic.”

Additionally, per Section 205.105 of the National Organic Program the finished material or ingredient described above has been produced and handled without the use of:

- (e) Excluded methods, except for vaccines; provided that the vaccines are approved in accordance with Section 205.600(a)
- (f) Ionizing radiation, as described in Food and Drug Administration regulation, 21 CFR 179.26; and
- (g) Sewage sludge.

To our actual knowledge, the information contained herein is accurate as of the date of this document. However, neither Solvay Chemicals, Inc., nor any of its affiliates, makes any warranty, express or implied, or accepts any liability in connection with this information or its use. This information is for use by technically skilled persons at their own discretion and risk and does not relate to the use of this product in combination with any other substance or any other process. This is not a license under any patent or other proprietary right. The user alone must finally determine suitability of any information or material for any contemplated use in compliance with applicable law, the manner of use and whether any patents are infringed. This information gives typical properties only and is not to be used for specification purposes. Solvay Chemicals, Inc. reserves the right to make additions, deletions or modifications to the information at any time without prior notification.

Trademarks: Trademarks and/or other Solvay Chemicals, Inc. products referenced herein are either trademarks or registered trademarks of Solvay Chemicals, Inc. or its affiliates, unless otherwise indicated.

Before using, read the Safety Data Sheet (SDS) for the chemical.
