

WADA STATEMENT BICAR[®] SODIUM BICARBONATE

Based on our knowledge, no substances listed in the 2012 World Anti-Doping Code (WADA) are intentionally added into the Solvay's American Soda manufacturing processes for BICAR[®] Sodium Bicarbonate. Additionally, no WADA substances are intentionally added. Banned substances listed by the NFL/NFLPA or NSF are not intentionally added to the process or to the final product.

To our actual knowledge, the information contained herein is accurate as of the date of this document. However, neither Solvay nor any of its affiliates, makes any warranty, express or implied, or accepts any liability in connection with this information or its use. This information is for use by technically skilled persons at their own discretion and risk and does not relate to the use of this product in combination with any other substance or any other process. This is not a license under any patent or other proprietary right. The user alone must finally determine suitability of any information or material for any contemplated use in compliance with applicable law, the manner of use and whether any patents are infringed. This information gives typical properties only and is not to be used for specification purposes. Solvay reserves the right to make additions, deletions or modifications to the information at any time without prior notification.

Trademarks: Trademarks and/or other Solvay products referenced herein are either trademarks or registered trademarks of Solvay or its affiliates, unless otherwise indicated.

Before using, read the Safety Data Sheet (SDS) for the chemical.
