Procurement sustainability KPIs

January 2025

Assessments

As per our policy, all our core suppliers must be covered by an EcoVadis assessment (or an alternatives that Solvay accept like SQAS, Responsible care ..)

167 suppliers out of our 174 core suppliers have an EcoVadis assessment

96% of our core suppliers were assessed by the end of Dec 2024

% core suppliers covered by assessments vs Year

Audits

**180% achieved - 18 suppliers were audited
by the end of December 2024**

Number of audits vs annual target

In 2024, our target of number of suppliers to audit is 10 (less than in 2023 due to the split of the company at the end of 2023).

By the end of Dec 2024, 18 suppliers were audited exceeding the target by 80%!

SOLVAY

Corrective Actions

64% of our assessed suppliers engaged in corrective actions and increased their score by the end of 2024

% of reassessments with an improved score vs Year

We continue to actively engage with suppliers on corrective actions by maintaining ongoing communication and involving buyers to ensure alignment and progress.

The background of the slide is a light purple color. It is populated with various 3D geometric shapes, including spheres, cubes, and cylinders. These shapes are covered in a fine, woven or mesh-like texture. The colors of the shapes range from deep purple to a very light, almost white, lavender. Some shapes are in sharp focus, while others are blurred, creating a sense of depth. The text "Thank you" is centered in the middle of the image in a white, sans-serif font.

Thank you
